SOME THINGS YOU'LL NEED AND

RECOMMENDATIONS:

___ The Sew Together Bag **pattern**

****sold at Quilting Adventures

*****online at

<https://www.craftsy.com/sewing/patterns/sew-together-bag/136309>

___ **Fat Quarter 18" by 22"** for the exterior lining

OR SEE BELOW:

MICHAEL MILLER HAS DONATED FLAMINGO FABRIC and each participant WILL RECEIVE ONE FAT QUARTER OF ONE OF THESE FABRICS:

_____ **Lining Fabric** (total yardage is 1/2 yard by width of fabric)

But for different fabrics in each section of the lining, you can cut:

four pieces (4) 9 3/4 by 8 1/2"

_____ **Pocket Fabric** (total yardage is 1/3 yard by width of fabric)

But for different fabric for each pocket, you can cut:

six pieces (6) 4 by 9 3/4"

_____ 18" by 22" piece of **batting** or fusible **fleece**

_____ one (1) **18" zipper**

-- I recommend a zipper color the same as the binding you plan to use

_____ three (3) **12" zippers**

--Pattern calls for 9" zippers but you can avoid some headaches with longer zippers

_____ 1/2 yard of lightweight **interfacing**

But, I like Pellon 809 for the lining and lightweight for the pockets or no interfacing in the

pockets

_____ Instead of wool for the needle landing, I recommend two (2) pieces of **felt** 3 by 4"

_____ The pincushion is optional and I recommend you make one to fit in the bag instead on the bag.

I hope you'll join me in making a Sew Together Bag,

Wanda Ann Dotson
